METIS SEAGRASS SURFACES
AS BEAUTIFUL, AS YOUR CREATIVITY!

Metis Seagrass eco surfaces are environmentally friendly and are made of the seagrass *Posidonia Oceanica* and environmentally friendly eco binders.

They enhance a new experience for more **humanised healthier spaces**, by contributing in the creation of naturally unique space solutions.

Metis Seagrass has adapted and embraced the Wabi-Sabi philosophy, the aesthetics of solitude.

This way we help people in the creation of Naturally unique spaces, healthy for the mind and body, incorporating the wisdom of Nature. Surfaces are characterised by their naturalness, authenticity and are fully customisable.

Our goal is to work closely with clients to achieve the best outcome for their projects.
